# OUR EVENT

## YOUTH PARTICIPATION

### Skating with Purpose

During the first intermission, enjoy a special mini-game featuring a group of exceptional youth hockey players taking the ice to showcase their skills and passion.

More than just a game, this initiative promotes giving back — each young athlete donates non-perishable food items to benefit the Central Virginia Food Bank.

As a token of appreciation, players receive custom uniforms to mark this meaningful experience — theirs to proudly wear and keep.

Join us in celebrating the next generation of athletes making a difference on and off the ice!

## MAIN GAME

**Jeremy's Game – Hockey Fights Hunger**, a high-impact charity hockey game that brings together NHL stars, alumni, elite college athletes and junior players for a night of competition and compassion.

This year's event will take place on **Saturday, June 21, 2025**, at **7:00 PM** at **SkateNation Plus** in **Glen Allen, Virginia**.
